

MotorSport Manual National Sporting Code

The National Sporting Code features all the primary rules governing the Sport

Manual amendments

These are issued from time to time by MotorSport NZ Administration to update or correct any of its rules and regulations

Appendix One Administration

Appendix Two Safety

Appendix Three Rally Events

Appendix Four Race Events

Appendix Six Historic and Classic

Appendix Five ClubSport & Drifting Events

Event organisers will generally publish Supplementary Regulations Part One and Series or Championship Articles to inform of the particular requirements for the event.

Event organisers do not always publish Supplementary Regulations. They may publish a notice advising that any event will take place.

Organisers generally publish Supplementary Regulations Part Two (Acceptance of Entry) to confirm key details such as time to arrive etc.
